## LUSO

Founded in 2014 to offer attainable luxury for the home, Lusso has evolved into a leading lifestyle brand with a global reputation for exceptional quality, flawless craftsmanship, and a signature aesthetic of modern elegance.

Alongside an extensive collection of freestanding baths and basins, our range now includes premium furniture, home accessories, hardware, fixtures and fittings - all hand finished to an immaculately high standard. Every piece we produce showcases the strength and innovation of British design, as well as the timeless allure and intrinsic durability of natural materials such as stone, wood, and marble.

Renowned for delivering exemplary customer care, aftercare, and a fully bespoke service where required, we take pride in every aspect of what we do, which is why Lusso collections can be found in many of the world's most beautiful living spaces. As testament to the quality of our collections, we also offer generous product guarantees, ensuring our residential and commercial clients enjoy their purchases for many years to come.
