THE

PORTLAND

TRADITIONAL TOILET COLLECTION

Designed for traditional bathrooms, our Portland toilets can beautifully complement our wider pieces, including cast iron baths, traditional vanity units and brassware, allowing you to complete your bathroom with cohesive designs from Lusso. Our traditional toilets consist of four classical models, including high level, low level, back to wall and close coupled styles, each of which contains solid oak seats in a choice of matte black, matte white, velvet beige, or oak. Our toilets are sustainably considered and are designed for longevity, with FSC-certified wood and craftsmanship that's second to none, testament to our 25 year guarantee.

CLOSE COUPLED TRADITIONAL TOILET

Suitable for all sized bathrooms, our close coupled toilets offer a classical and elegant allure. Sitting flush to the wall and crafted from robust Porcelain, the close coupled design integrates into bathrooms of varying sizes, and features a flush handle for convenience, a solid oak seat and fixtures and fittings in a choice of three traditional-inspired finishes.

BACK TO WALL TRADITIONAL TOILET

Simple in design, yet as functional and durable as the rest, our Portland back to wall toilet is ideal for traditional spaces with a more minimalist feel. The simple Porcelain model showcases a solid oak seat in a choice of four colours, as well as hinges to match your taps and accessories. The back to wall model can be paired with a cistern and flush plate of choice.
