THE TILE COLLECTION

Explore expertly finished porcelain tiles for your walls and floors. Beautifully crafted from the highest grade materials, our porcelain tiles offer over 40 different styles to suit all interior design themes. Extensively tested to meet the highest P and R ratings, the tiles are not only flawless in appearance but are smooth to touch, offer excellent grip and can be used within indoor and outdoor settings. Easy to maintain and clean, the porcelain tiles come in a variety of opulent shades and finishes including travertine, limestone, marble and natural stone. Explore the collection at Lusso and finish off the look with our luxury tile trims, allowing you to successfully transition your tiles from the wall to the floor, with the same signature Lusso finishes as our brassware, including brushed gold, matte black and stainless.
